

Child's Bedroom Second Floor

DESIGNED BY
Jennifer Greenhalgh

Jackson + Park Design
www.jacksonandparkdesign.com

"I wanted this room to be a contemporary kids' room that would work for many different age groups. My favorite aspect of this room is the wallpaper, which was the perfect jumping-off point for the rest of my design."

– Jennifer Greenhalgh

Guest Bedroom Second Floor

Fine Art & Design
www.fineartanddesignty.wix.com/fineartanddesignty1

"In every design, I include a piece of art that I have created, or I recycle old materials to create something new. The best is always in the details, and knowing that my finished work includes fine art."

– Tatiana Yavorska-Antrobus
